- (B) **Citation.** These rules shall be known as the Trumbull County Family Court Local Rules and shall be cited as “TCFC Loc.R. ____.”
- (C) **Applicability and Scope of the Rules.** The Trumbull County Family Court Local Rules shall apply and shall govern the practice and procedures in the Domestic Relations Division and Juvenile Department of the Court of Common Pleas of Trumbull County, Ohio, which may be separately identified as the Court of Common Pleas of Trumbull County, Ohio, adding thereto the following designation as applicable:

These rules shall apply in all proceedings before the Trumbull County Family Court and shall be adhered to by attorneys as well as self-represented litigants.

29.02 Construction of the Rules

- (A) **Construction.** These rules shall be applied, construed and enforced to avoid inconsistency with other rules of court and statutes governing proceedings in this court. Rules promulgated by the Ohio Supreme Court, including the Ohio Rules of Civil Procedure, the Ohio Rules of Juvenile Procedure, the Rules of Superintendence of the Supreme Court of Ohio, the Ohio Rules of Criminal Procedure, and the Ohio Rules of Evidence, as applicable, shall apply in all proceedings before the Trumbull County Family Court. In the event of conflict between the Trumbull County Family Court Local Rules and the aforesaid rules, those rules promulgated by the Ohio Supreme Court shall control and govern
- (B) **Applicability of Local Rules Promulgated by the General Division.** The Rules of the General Division of the Court of Common Pleas of Trumbull County, Ohio, shall apply to all proceedings before this court, except to the extent that the General Division rules are in conflict with these rules, or to the extent that the General Division rules are inapplicable.
- (C) **Effective.** These rules shall supersede all previous rules promulgated by this court and

shall apply to all proceedings pending before this court on the date that they take effect.

29.03 Appearance and Withdrawal of Legal Counsel

(A) **Counsel to be in Good Standing.** No attorney shall make an appearance or file any pleading unless that attorney is licensed to practice law and is in good standing under Ohio law. An attorney representing a client has an affirmative duty to notify the court if, for any reason, that attorney is no longer in good standing.

(B) **Appearance.** Unless otherwise ordered by the court, an attorney who signs a pleading or motion on behalf of a party shall be designated as counsel of record for that party. Counsel of record is solely responsible for the action and shall attend (or make appropriate arrangements for other counsel to attend) all status conferences, hearings and pretrial conferences. Counsel of record, and not substitute counsel, shall attend the final pretrial and trial.

(C) **Withdrawal.** An attorney requesting to withdraw from representation of a client shall file a motion to withdraw stating the reason(s) for withdrawal. The motion shall comply with the Ohio Supreme Court Rules of Professional Conduct and the Ohio Rules of Civil Procedure. The motion shall certify that:

- (1) Notice has been given to the client advising the client of all orders and all upcoming assignment dates affecting the client; and
- (2) Notice has been given to all counsel of record, or if unrepresented, to the parties.

The attorney seeking to withdraw shall serve the motion to withdraw from representation on the client and all parties or their counsel.

No attorney shall be permitted to withdraw from a case later than twenty (20) days prior to the final hearing except for extraordinary circumstances, subject to the court's discretion.

RULE 30. FILING FEES/ ADVANCE DEPOSITS AND COURT COSTS

30.01 Filing Fees, Court Costs, Deposits.

Except as otherwise provided by law, the Clerk of Courts shall not accept any action or motion for filing without a deposit as security for costs that may accrue in the action or proceeding. The advance deposit shall be in the amount set forth by the court on the Trumbull County Family Court's schedule of filing fees which shall be published by the Clerk of Courts.

30.02 Filing Fees for Each Separate Motion/ Multipronged Motions.

An advance deposit as security for costs shall be required for each and every separate motion or request for relief made. Each separate request for relief must be identified in the case caption and must be properly scheduled by the filing party so that the court has sufficient time allotted to hear the motion(s). Except where the request is for relief that is related to the underlying motion (i.e., "Related Relief" under TCFC Loc. R. 33.01(D)), if more than one motion or request for relief is made within the same document, the Clerk of Courts shall require an advance deposit for each separate motion/request for relief listed in the caption of the document.

30.03 Transferred Cases.

For cases transferred to this court, the petitioning party/movant shall be required to post a deposit as security for costs in a sum equal to the amount required if the case were originally commenced in this court. Said deposit shall be paid within thirty (30) days of the order accepting transfer of the case issued by this court.

30.04 Request to Postpone Deposit.

Consistent with Ohio R.C. 2323.311, a motion and court approved affidavit of indigency may be filed with the Clerk of Courts in lieu of the advance deposit. The affidavit shall be notarized and executed by the party on whose behalf it is filed. The affidavit shall identify the assets and earnings of the party and state the specific reasons the party does not have sufficient funds to pay the filing fee or deposit. Upon review of the motion and affidavit, the court may, for good cause shown, postpone the advance deposit. If the court grants the application, the applicant's status as an indigent litigant is subject to judicial review at any stage of the proceedings thereafter. For a Petition for Dissolution, both petitioners must submit affidavits of indigency.

30.05 Responsibility for Costs.

All final judgment entries shall contain a provision for payment of court costs as ordered by the court. In the absence of a court order otherwise, after application of all deposits, the balance of costs shall be divided equally among the parties. Upon motion, the court may determine that a trial without costs is necessary in the interest of substantial justice.

30.06 Unpaid Balances.

The Clerk of Courts shall not accept additional or new motions from a moving party with an unpaid balance due from that party in that case.

30.07 Special Assessments.

Pursuant to R.C. 2303.201(E)(1), the court has determined that additional funds are necessary to acquire and pay for special projects of the court including, but not limited to, the acquisition or rehabilitation of existing facilities, the acquisition of equipment, the hiring and training of staff, community service programs, mediation services, the employment of magistrates, the training and education of judges and magistrates, and other related special projects as may be established by the court in the future. Therefore, the court may authorize and direct the Clerk of Courts to charge additional fees on the filing of each complaint, counterclaim, petition, and/or post decree motions in domestic relations cases or motions in juvenile cases.

RULE 31. SERVICE

- (A) **E-filing Effective as Original.** A document filed by electronic means shall be accepted as the effective original and shall be filed by the party or their attorney of record. All risks of transmission shall be borne by the sender. The sending party must maintain possession of the source document and make them available for inspection to the court upon request.

The Clerk of Courts shall accept the Motion to Set Aside without a Notice of Hearing or hearing date.

36.02 Attorney Fees.

- (A) **Request for Attorney Fees.** A request for attorney fees and expenses to prosecute or defend an action shall be made by motion or may be combined with another pleading that gives rise to the request for fees. - (B) **Qualifications and Procedures for Appointment of Counsel.** The court shall maintain a list of all available attorneys who are willing and pre-qualified to serve in the capacity as court-appointed counsel. Separate lists for different types of appointments shall be maintained. The following shall apply:

 - (e) Any other intangible factors, including the court's view of proposed counsel's commitment to providing timely, cost-effective, quality representation to each prospective client.
- (3) ***Procedure to ensure equitable distribution of appointments.*** Judicial officers shall make appointments from the pre-qualified list of attorneys in an objectively rational, fair, neutral, and nondiscriminatory manner. Attorneys on the lists maintained by the court are not assured a substantially equal number of appointments. However, the appointments shall be an equitable distribution of appointments. Appointments made by the court and the date of the appointments shall be maintained for judicial officers to review to ensure that the appointments are widely distributed among substantially all persons from the lists maintained by the court.
- (4) ***Compensation of court-appointed counsel.*** Counsel appointed to represent indigent parties shall be paid counsel fees according to the schedule adopted by the Board of Trumbull County Commissions as required by R.C. 120.33. 36.06 Agreed Judgment Entries.

- (A) **Proposed Agreed Judgment Entries.** Where the parties have agreed to a resolution of a pending motion or complaint, prior to or at the commencement of the hearing the parties shall provide the court with a proposed final Agreed Judgment Entry. In the case of an uncontested divorce, the parties may also provide a separation agreement as well as an Agreed Judgment Entry adopting the terms thereof. In the event that a resolution is negotiated and reached immediately prior to the commencement of the hearing, the court may grant the parties time to prepare and submit the Agreed Judgment Entry and, if so

granted, shall designate the person responsible for preparation of the same. Unless extended or shortened by the court, the final proposed Agreed Judgment Entry shall be provided to the court no later than thirty (30) days after the final hearing on the matter.

(B) **Form/Content of Agreed Judgment Entry.** A proposed Agreed Judgment Entry shall include the following:

- (1) **Signatures.** The original signatures of all parties, counsel, and the Guardian Ad Litem, if applicable, indicating approval of the proposed Agreed Judgment Entry. The signatures shall not be on separate pages. It shall also include a space for the date and signature of the Judge or Magistrate hearing the case.
- (2) **Child support addendum.** When an Agreed Judgment Entry creates or modifies an obligation of child support, that Judgment Entry shall have attached to it a completed Child and Medical Support Determinations Addendum and Child Support Computation Worksheet. It shall be the responsibility of the payee or payee's counsel to see that a completed Trumbull County Child Support Enforcement Agency (TCCSEA) Child/Spousal Information Sheet and the Form IV-D are completed in full and filed with the Wage Withhold Clerk or directly with TCCSEA.
- (3) **Shared parenting plan.** If the agreement includes shared parenting, a Shared Parenting Plan shall be attached to the proposed Agreed Judgment Entry.
- (4) **Notice.** All proposed Agreed Judgment Entries must comply with requirements of Ohio Civil Rule 58. The proposed Judgment Entry shall include language either instructing the Clerk to issue Rule 58 Notice, or have Rule 58 Notice waived by all parties.
- (5) **Guardian Ad Litem.** If a Guardian Ad Litem has been appointed on the case, the proposed Agreed Judgment Entry shall include language indicating that the Guardian Ad Litem has been discharged and shall address the method of payment of his/her final fees.

(C) **Submission to Opposing Party.** Except as otherwise ordered, the party or counsel designated to prepare the proposed Agreed Judgment Entry shall prepare and submit it to the opposing party, or to the party's counsel, if applicable, within fourteen (14) days of the date of the hearing. The opposing party or counsel shall have ten (10) days in which to approve or reject same. If rejected, the opposing party/counsel shall state his objections in writing to the party preparing the entry. The party or counsel who has prepared the entry shall sign the proposed Judgment Entry and submit it to the court for approval together with a copy of the opposing party's written objections to provide notification to the court that the opposing party/counsel has objected. The court shall then take appropriate action in relation thereto, which may include requiring the opposing party/counsel to provide further detail of his/her objections in writing, approving the proposed Judgment Entry over the objections, ordering the preparation of a transcript and/or setting the matter for hearing. If a transcript of proceedings is required, the court may allocate the costs thereof. Upon the failure of the opposing party/counsel to timely respond by either approving or providing written objections to the proposed Judgment Entry, the party who has prepared the

proposed Judgment Entry shall present said Judgment Entry to the court to be journalized by certifying thereon that the provision requiring submission to opposing counsel or party has been completed and stating the date the proposed Judgment Entry was delivered (not mailed) to the opposing party or counsel. The court can then either sign the Judgment Entry or set the matter for hearing. Failure to comply with this rule will result in the Court acting in any one or more of the following manners:

- (1) Issuance of a citation of contempt to the counsel of record or a party;
- (2) Granting of attorney fees and court costs;
- (3) Dismissal of the action; and/or
- (4) The court issuing its own Judgment Entry.

(D) **Order for the Division of Retirement Benefits.** If a pension or qualified retirement benefit is involved, and a Qualified Domestic Relations Order (QDRO) or any other orders necessary to divide retirement benefits are required, such order shall be prepared as instructed in the court's final order. If the order is silent, the QDRO/order to divide retirement benefits shall be prepared by the Alternate Payee at his/her costs. All final judgment entries of divorce, dissolution, or legal separation requiring a QDRO/order to divide retirement benefits shall include a provision reserving the jurisdiction of this court to enforce pension rights by issuing amended QDROs/orders or for other equitable relief.

(E) **Agreed Modification to Existing Parenting Orders.** Parents may file a motion for the court to approve a proposed Agreed Judgment Entry to modify an existing parenting order. Any such motion shall attach a Parenting Proceeding Affidavit. The proposed Agreed Judgment Entry shall also be provided to the court and shall address/include:

- (1) The allocation of parental rights for the care of the child(ren) and a designation of residential parent and legal custodian. If shared parenting, a copy of the Shared Parenting Plan with a designation of the residential parent for school purposes shall be attached;
- (2) Child support with a completed Child and Medical Support Determinations Addendum and Child Support Computation Worksheet attached;
- (3) Allocation of the income tax dependency exemption/credits;
- (4) Disposition of arrearages or overpayments;
- (5) Companionship/visitation agreement. The parties may attach the companionship schedule as an exhibit and/or incorporate this court's Trumbull County Parenting and Companionship Guidelines.

(F) **Agreed Custody to a Non-Parent.** Transfer of custody to a non-parent creates a legal issue of school district reimbursement from one Ohio school district to another. Accordingly, when a child living in Ohio is placed with a non-parent, any Agreed Judgment Entry must also address the school district. The following language or equivalent is required:

- (a) If a child is being placed from an Ohio parent to an Ohio non-parent:
*"At the time of the adjudication, the minor child resided with a parent at **address and city, state** in the **school district name**". Said school district*

will be responsible for tuition reimbursement to the school district of attendance, subject to Ohio Revised Code Section 3313.64 determination, and Ohio Revised Code Section 2151.362 appeal and process of correction.”

(b) If a child is being placed from out of state to an Ohio non-parent:

*“At the time of the placement, the parents reside out of state at **address, city, state**. The applicant for custody has demonstrated the ability to financially provide for the child, passed a home study, and given financial guarantees for the child’s expenses. Said applicant for custody will be responsible for school tuition reimbursement if required by the school district of attendance.”* If a child is coming from an out-of-state parent to an Ohio non-parent, besides school tuition concerns, there are FULL home study requirements AND financial guarantees required prior to custody being considered. *See Ohio Revised Code Section 2151.39 and the section dealing with the interstate placement of children.*

38.11 Specialized Docket Program

- (A) **Establishment of Trumbull County Family Dependency Treatment Court Docket.** Trumbull County Family Court has created a specialized docket pursuant to Sup. R. 36.20 through 36.29 for the purpose of improving the safety and welfare of children while supporting the recovery of their parents from substance use disorders through comprehensive treatment services and judicial supervision. This docket shall be known as the "Trumbull County Family Dependency Treatment Court" (FDTC).
- (B) **Target population.** The target population of FDTC is Trumbull County parents with substance use disorders whose children have been removed or are in danger of removal from their home due to parental substance use disorder.
- (C) **Goals.** The goals of the specialized docket include: (1) to establish a permanent placement for the children in a timely fashion while providing comprehensive and intensive substance use disorder treatment and holistic services; (2) to help parents with substance use disorders achieve sobriety, receive appropriate treatment, and make positive changes in their lives as well as the lives of their children; and (3) to enable parents to function better in their families and communities, thereby being less likely to have future involvement with the courts and the child welfare system.
- (D) **Placement in Family Dependency Treatment Court.** Referrals to FDTC originate with Trumbull County Children Services (TCCS) through the dedicated FDTC caseworker. The caseworker meets with the client to determine if the client meets the eligibility criteria. If so, the caseworker and the TCCS attorney initiate the referral to the court and advise the FDTC facilitator.

Referrals may also be made to TCCS for FDTC from TCCS clients, treatment providers, probation officers, attorneys, or the Court. Referrals become formal at the time the potential participant and the Magistrate sign the Magistrate's Order of Referral to FDTC.

- (E) **Eligibility.** To be eligible for FDTC, the parent must be currently involved with TCCS and an abuse, neglect, or dependency complaint must be filed in Trumbull County Family Court. The parent must be willing to work with TCCS and comply with a case plan and be

a resident of Trumbull County or be a parent in a case under the jurisdiction of the Trumbull County Family Court. Clinically, the parent must be assessed as having a DSM V diagnosis of substance use disorder. Disqualifying legal factors are the parent has committed severe physical abuse, sexual abuse or has a history of violent criminal acts. Long term noncompliance with mental health or substance use disorder treatment is a disqualifying clinical criterion.

(F) **Case Assignment.** A Trumbull County Family Court magistrate shall preside over the FDTC docket. A different Trumbull County Family Court magistrate shall preside over the dependency case docket. Upon acceptance to FDTC, the dependency case remains open and the FDTC docket runs concurrently. Upon termination from FDTC for any reason, an order of termination is filed in the dependency case docket.

(G) **FDTC Docket Case Management.**

(1) FDTC is conducted weekly in two parts. Each Friday at 9:30 a.m., the Treatment Team, made up of the FDTC magistrate, FDTC facilitator, TCCS dedicated caseworkers and supervisor, TCCS attorney, defense counsel, treatment providers and other service providers, meet to discuss the progress of the participants. Each Friday at 10:30 a.m., court convenes with the Treatment Team and participants at a status review hearing. Participants attend according to their current phase schedule, initially every week.
